

## Code of Practice for Parents/Carers

Encourage your child to learn the rules and play within them.

Discourage unfair play and arguing with officials.

Help your child to recognise good performance, not just results.

Never force your child to take part in sport.

Set a good example by recognising fair play and applauding good performances of all.

Never punish or belittle a child for losing or making mistakes.

Publicly accept officials' judgements.

Support your child's involvement and help them to enjoy their sport.

Use correct and proper language at all times.

Encourage and guide performers to accept responsibility for their own performance and behaviour.

Ensure the relevant club officials are provided with your up to date contact details and any changes in your child's medical condition.

Ensure that, in the case of "away" events proposed travel arrangements (entry and exit points) for your child are known and agreed with relevant club officials. If a parent or carer travels with their child, then they will be deemed to be responsible for that child
