

Silson AC Charity Donation Policy

Silson AC is first and foremost a running club – but we are also committed to supporting charities and other good causes in and around Silverstone and the surrounding area. We are in the very fortunate position of being able to do so financially by making donations to help the work of local organisations and groups.

This is a result of the income we receive from the Silverstone Grand Prix 10km event we organise. We have helped a wide range of groups and hope to be able to continue to do so by offering 10% of our profit from this event to local charities or organisations. Our members are always welcome to suggest who we should help in this way.

Guidelines:

- The beneficiary organisation or charity must be located within 10 miles of Silverstone
- Charities with a vision and objectives that are closely aligned with the club's vision
- A charity or organisation is limited to one donation within a 12-month period

Charity requests:

We ask that members propose local charities and voluntary organisations in February. These will be considered at the March Silson AC Committee Meeting. Those charities / voluntary organisations that the committee feel meet the guidelines above will be discussed at the AGM and a final decision will be made at the AGM on the successful charity or voluntary organisation and how much money will be donated.

Silson Donation Policy – February 2025
